The All India Entrance Exam conducted by the National Council for Hotel Management and Catering Technology is the stepping stone to a bright, rewarding and promising future in hospitality world. If you intend to make the best hotels of the world your office, then securing top rank in this exam is a basic prerequisite.

A candidate securing a seat in IHM (Institute of Hotel Management) PUSA, DELHI is sure of getting a placement with the best 5 Star Hotels in India or abroad.

National Council for Hotel Management and Catering Technology (Society) was set up in the year 1982 by the Government of India as an autonomous body for coordinated growth and development of hospitality education in the country. By clearing NCHMCT JEE 2019, candidates can secure admission in 21 Central Institutes of Hotel Management, 22 State Government Institutes of Hotel Management, one Public Sector Undertaking and 14 Private Institutes of Hotel Management affiliated with NCHMCT. Apart from this, a total of 12 Food Craft Institutes, 2 SIHMs (running only diploma level program).

All these colleges offer standardised course curriculum as prescribed by NCHMCT for the various programmes that they offer. Earlier, only 6 IHMs used to offer BSc HHA with Vegetarian Cooking Option but now all IHMs offer this course.

It is important to note that in Hospitality it's the IHMs only that should be considered by the students, as State IHMs or Private institutes do not provide good placements, training, exposure or career growth in the long run. All top hotels and companies always choose candidates who are graduating from IHMs.
